You will receive a complete West Coast Expeditions Pre-trip Information Package after we receive your registration form and deposit. This package includes a more detailed trip description, equipment list, questionnaire, medical form and liability release form. Please complete and return these with your final payment.

Cancellation & Payment Policy

For cancellations we will strive to be reasonable, understanding and as flexible as possible in applying the following policies so that it is fair for all involved:

- For guest cancellations earlier than 60 days before trip departure, the deposit is retained if we've had to turn other customers away for that trip and are unable to fill that seat(s). Otherwise, the deposit is refunded less a \$100 administration fee per person. If WCE cancels the trip, a full refund is provided.
- Full payment of trip package fees are due 60 days prior to the departure date.
- Guest cancellations between 59-30 days before the trip are eligible for a 50% refund of the base package price and full refund of any associated upgrades if West Coast Expeditions incurs no penalties associated with cancelling upgrades (e.g., float plane flights as part of the package).
- Guest cancellations within 29 days of scheduled departure are not eligible for a refund unless we can fill the vacated seat (in which case the deposit is retained and the balance refunded).
